October 9th Meeting- A Critique.

November 13th- Jerry Thomas-Perspective

Mona Lisa's Smile

You are encouraged to come to our meetings and bring a friend!

Welcome Back, Virginia Dragschutz

Van Gogh's Ear

One key personality trait that is shared by many artists is an independent nature. Being human, however (in addition to being artists) means that we are also biologically programmed to benefit from at least *occasional* social interaction. Just by connecting with others, your brain gets a little boost of serotonin, one of the chemicals in our bodies that contributes to a sense of well-being. (taken from the [Empty Easel](#))

Pollock's Spatterings

Here is an opportunity for Artists: Lillian Yahn Gallery Call for Entries: [Women in the Arts](#) October 6-24

Current Shows to visit:
Watercolor and Printmaking at Lillian Yahn Gallery Sept 6th-28th.
[Passenger Pigeon's](#) at Rockwoods Reservation from Sept 2nd-27th
